SHUTTLE BUS (from Prague to Stary Svet and back)

ATTENTION!!! CHANGE!!!!

For the week shuttle bus departure from Prague we will all meet at the subway station “**ROZTYLY**”. It is “C line / red” same as Main train station which was our original meeting point. However due to construction at the Main Train station we need to move the meeting point to Roztyly. It is small station, with only one exit. So super simple to find us. Call Michaela (W1) or Filip (W2) if any troubles.

This is the pin to the exact point of the shuttle bus departure: [LOCATION](#)

WEEK 1:

- We will have shuttle bus leaving from **Roztyly** to the WEEK venue on **Sunday 9.8.** at **16:00.**

Check-in 15:15-15:45 by the subway exit.

- Please let us know in advance if your scheduled arrival to Prague is later than 14:00. Also let us know immediately when your flight gets any delay that may affect your time of arrival to the meeting point. Message to Katerina (number above).

- We will leave Stary Svet back to Prague on **Friday 14.8.** around **14:00**, so we will be at Roztyly station around 15:30

WEEK 2:

- We will have shuttle bus leaving from **Roztyly** to the WEEK venue on **Monday 17.8.** at **11:00.**

Check-in 10:15-10:45 by the subway exit.

- We will leave Stary Svet back to Prague on **Saturday 22.8.** at **9:45**, so we will be at Roztyly around 11:30

- If you leave Prague by plane you need to get flight that **departs at 16:00 or later** to have enough time to get from Stary Svet to Prague and then to the airport.

- If you go by car you can go directly to the week venue [Stary Svet](#). You can park your car at Stary Svet for free. Please let us know if going by car so we don't block a seat for you in the shuttle bus. Thank you.

- If you go by car please check the parking possibilities in Prague for the weekend. There is paid parking 24/7 right next to the Main train station.

WEEK VENUE / [Stary Svet \(Amerika, Votice\)](#)

- All rooms are non-smoking.
- There is NO AC in the rooms.
- There is an AC in the ballroom, however if 40+ ppl dancing it's not enough and the room gets humid and warm. So we will have little “fresh-air-breaks” during the evenings because we can't leave the doors/windows open after 22:00 (due to noise limits).
- The beddings, towels (white in your room and grey in the sauna/ pool area) and sauna sheets are included.
- There is always ONE key per room. We are the only one using the venue most of the time so locking your room is optional.
- Cleaning is NOT provided on daily basis. Please ask for extra cleaning at the bar if it's needed.
- There is playground, swimming pool, sauna and whirlpool. Bring your swimsuit!
- **The price for food and accommodation is NOT included in your WEEK fee and will be charged during your check-in at the venue.** You can pay by cash (EUR or CZK) or by card.

- Meals (breakfast, lunch, dinner and second dinner) are served in the restaurant. All meals are buffet style and include variety of options. Vegetarian and vegan options are also available. If you need something more please don't hesitate to ask.
- Please do not bring the food outside the restaurant! There are no fridges in the rooms so the quality of the food later on cant be assured!
- Lunch and dinner includes also one non-alcoholic drink (Kofola, homemade lemonade, tap soda, coffee or tea)
- Water is available for free the entire time. Bringing your own reusable cup or bottle might be useful.
- There is a bar available for most of the day/evening. You will get a bill and will pay everything once you check-out.
- You are allowed to take the drinks from bar to the ballroom. **Please bring the glass back!**
- We will have small snacks for you during the sessions as well. However if you like anything specific please bring your own.
- There are no shops within the walking distance. Please bring everything you might need for the week.
- **Please keep quiet after 22:00 outside the ballroom/ venue.** Thank you.
- We will bring our iron so you can borrow that during the week.

Last night = DRESS-UP NIGHT

We would like to ask you to dress up for the last party of the week.

DEMO NIGHT:

Demo night at Bal-Love WEEK is your chance to take the floor in front of your peers and show us what you love about dancing.

Each demo couple will have 2 minutes to perform (usually two couples at a time) and will choose a theme for their dance — think: social dance, performance, mix and match, teachers demo etc, or anything else you dream up. You can also decide whether you want to choose your music or have it chosen for you, tempos, etc. This is your space to express, explore, and inspire.

Please note: participation in a demo is not mandatory, but we highly encourage it. It's a great opportunity to engage more deeply and share what you love in a space full of people with similar passions.

Also please note each of you can participate only in one demo. Unless you are helping someone who has no one to dance with (pls make sure everyone in your role is already participating before you take the “helping” role).

SAUNA TIME:

We have sauna ready for you every day from 18:00 to 19:00. As there are many ppl coming from all around the world and all regions have different habits for using sauna... We would like to ask everyone to “**cover**” when using sauna. There are sheets and towels for the spa area. No need to bring your own.

MASSAGES at the WEEK:

We will have massages available for you on Wednesdays afternoon.

You can sign up at the info meeting after your arrival to Stary Svet.

Please bring DRY TOWEL for the massage with you.

Price per 30 min = 20 EUR / 500 CZK (Payments in cash EUR/CZK or by Revolut).

BAL-LOVE WEEKEND

Your WEEK fee includes also the free entry to WEEKEND parties (Fri, Sat and Sun party). It takes place in Autoklub CR, Opletalova 29, Prague 1.

Please remember you need to book your own accommodation for the WEEKEND! We do NOT provide that.

Please find all useful info about weekend on our web page. You will also receive the WKND info mail shortly.

WKND PRE & AFTER PARTY

Pre and after party of Bal-Love WKND became very popular. It takes place at U staré paní / Old Lady's Club, Michalská 9, Prague 1 and the entry fee is NOT included in the WEEK/WKND pass.

Attention! For this year we limited the number of tickets for pre- and afterparty as the capacity reached the limits last year. However, you can make a reservation if you plan to attend [HERE](#).

If you are still missing any info please let us know!
